Re: Parental Authorization

Dear Brethren:

As you know, all minors must have both parents' authorization to travel and this is particularly important for those who are traveling to another country as we will be doing in a couple of weeks. We have prepared a letter that must be signed by both parents. The border officials will be asking this letter when it will be time to cross the border. The law demands that this letter be signed by both parents, unless the parent is dead or is not part of the child's life at all.

We have prepared a certain number of copies that you will find at the Conference office in your pastor's mailbox. If it is not enough, we are sending you a copy of the letter through e-mail that you may use to make copies.

It is very important that you have this letter signed for each minor child when you leave for the camporee in Montreal or another location. It will be way too late when you are crossing the border.

Thank you very much for your cooperation.

Denise Nadeau, Secretary to
Abner Théodore, Director
Pathfinder Ministries

P.S.: It would probably be wise that the director and the child, both have a copy of this letter, signed by both parents.
